

GENERAL TERMS AND CONDITIONS OF SALE

1. Booking conditions and access to the campsite

Reservations become effective after acceptance of the GTCS when booking online and after receipt of the deposit or the total price of the stay. Reservations for rental pitches require a minimum stay of 2 nights.

In accordance with article L. 221-28 of the French Consumer Code, the 14-day cooling-off period cannot be exercised for services linked to accommodation.

Prices do not include tourist tax, which will be collected on site.

Reserved rental pitches are available from 5 p.m. on the day of arrival and must be vacated by 10 a.m. on the day of departure.

Late arrivals must be notified to the campsite for organisational reasons. The customer will then be informed of the arrangements for the late arrival.

Any late arrival of which the Campsite has not been informed will be considered as a cancellation by the Customer and will allow the Campsite Management to make the pitch available again within 24 hours. No refund will be made.

The customer signing this contract concluded for a fixed period may under no circumstances claim any right to remain on the premises at the end of the stay, unless a new pitch is booked with the campsite.

The campsite does not accept minors who are not accompanied by an adult. The Campsite reserves the right to refuse access to pitches booked in breach of this rule to minors under the age of 18 who are not accompanied by their legal guardians when they arrive at the Campsite reception desk, and to cancel their stay immediately.

Furthermore, the Campsite is not a Holiday and Leisure Centre within the meaning of decree no. 2002-883 dated 3 May 2002, and is not suitable for providing group or individual accommodation away from the family home for minors under the age of 18, unaccompanied by their legal guardians.

2. Tariffs and terms of payment for campsite services

The descriptions and definitions of the rental seasons, as well as the rental periods and durations, appear on the price list and on the website.

The prices in our brochure are in euros, including VAT at the rate in force at the time of printing.

Any change or modification of the rate as well as any change in the taxes applicable to your stay, such as tourist tax, at the date of invoicing, may be passed on to you in the price of your stay.

Transfer, subletting:

All rentals are nominative; they may not be transferred or sub-let without the prior agreement of Wellness Sport Camping.

Price changes :

The prices shown are subject to change. The campsite reserves the right to change prices at any time. Stays will be invoiced on the basis of the rates in force on the day of booking, subject to availability.

Wellness Sport Camping cannot be held responsible for any difference in cost between two stays booked for the same period.

Offers and promotions are not retroactive and cannot be combined.

The prices shown are in euros, including VAT at the rate in force at the time the holiday is booked. The total price of the holiday includes the price of the pitch or rental accommodation, any additional services chosen, booking fees and any cancellation insurance. This total price is indicated before the customer confirms the booking of their holiday, whether the booking is made on the website or via another booking channel. Any change or modification of the rate as well as any change in the taxes applicable to the stay, on the date of invoicing, may be passed on to the price of the stay.

No postponements will be accepted for the following season.

The Customer's attention is drawn to the fact that in the event of a change to the holiday, he/she will not be able to benefit from promotions subsequent to the initial booking. The date of the first reservation will apply.

In the event that Wellness Sport Camping is unable to comply with the Customer's request for a change, the initial stay will be maintained unless the Customer cancels and the corresponding cancellation charges apply.
